

<p>The ACT International "A" Class Championship was sailed over the weekend of 29<sup>th</sup> - 30<sup>th</sup> September on Lake Tuggeranong .<p>

<p>Six competitors faced the starter on Saturday with medium strength winds from the west to northwest. Some very interesting racing was conducted prior to the lunch. <p>

<p>Following the lunch break the wind increased to strengths that were testing all boats and skippers and by the time the last race for the day was sailed the wind was coming in at around thirty kilometres per hour.<p>

<p>The weather on Sunday was worse than Saturday and with thirteen races completed all skippers voted and agreed that it was not possible to continue and the series was decided on the results of Saturday, as the placings were clearly decided.<p>

<p>Our thanks go to Peter and Lyn Connell for making the trip from Rosedale on the south coast for Peter to be the PRO for the series.

Also thanks to Leigh Norman from Harrington Park Radio Yacht Club for making the trip from Sydney to compete.<p>

<p> Thanks also to the club members that assisted in various ways.<p>
