The Tassie Marblehead Championships were held on the 25th November at Risdon Brook Park with 10 entrants assembling, many with new boats. We had a full days racing from 10.30am to 5pm, with 17 races conducted over the day. Light winds had everyone on A Rigs in the morning with a steady seabreeze all afternoon moving everyone to B rigs. - Ron Webberley and Les Hanson had some close tussles all day and Mat Gray had his new boat in the water for the first time and showed some consistent form in the afternoon to almost take it out and Cassie had a very consistent day to pip Mike Hickman by 0.6 of a point for 3rd. Lisa and George Fish had electrical problems during the day and Peter Darcey and Ken Dobbie were always threatening. A good days sailing with lots of high quality racing. - D. McL.

All competitors extend their thanks to John Hall who did an excellent job of PRO and Ron Hickman for observing.
