A warm day with a steady NW breeze @ 8 knots in the morning.

Even though the water level is down, the wind was steady. Michael Hickman was impressive early with 4 wins from the first 5 races. After lunch the wind switched to the South East as the sea breeze filled in.

This provided conditions that levelled the fleet, with George Fish, Peter Darcey & John Cole Cook taking out races in the afternoon. It was good to see Chris Madziara from Launceston along with Chris Thomas and Ian Dickinson from the North West, travel south for this event, these guys had some great tussles along with John Hall, who had reliability problems during the day.

Les Hanson did a great job as PRO and scoring - Thanks from all the sailors Les - Ron Hickman did an excellent job as observer - Well done again to Michael Hickman on an impressive result.
