

VICTORIAN 10R REGIONAL STATE CHAMPIONSHIP

The event started with 6 entries on a very windy westerly at Edgewater. All competitors started on C rig with the wind gusting between 20 – 30 knots two new boat were launched, Andrew Reid's new Diamond and Lincoln McDowall with a new 10R design both boats handled the conditions well.

But as the wind increased most skippers went down to C2 rigs and its good to see 10R, s at top speed, some early retirements.

The only RM was Bill Hutchinson but an early retirement sore the end to Bill's day, some of the other skippers had electrical problems and missed a few races some very close racing with Lincoln and Andrew.

The day was sailed very well in trying conditions well done to all skippers.
