

VICTORIAN IOM CLASS STATE CHAMPIONSHIP

The IOM where held at Lake Caribbean over two days, with a good size fleet of 21 skippers with some of our Tassie friends over, but before the first race it was down to 17. With some late withdrawals so one fleet was the call, and with the wind to increase to 15-20 knots over the two days it should be good sailing.

First day started with light winds A rig Lincoln McDowall, Craig Smith and Rob O'Brien and a few other skippers where on the wind from the start with good racing from all skippers.

By lunch time the wind had picked up with some going to B rig by the end of the first day Craig Smith had the lead with Lincoln McDowell, Rob O'Brien Lisa Blackwood and Simon Kellett all in the chase.

Day Two had much the same wind but it came in early every one was on B rig with some going for C rig which made for some interesting racing and winners of racers Campbell Calderwood icebreaker was a much improved boat this time out with a couple of wins. By the afternoon the wind was up and down with some very fast rig changes but at the end of the day good sailing by all

SKIPPER	SAIL#	TOTAL	PLACE
CRAIG SMITH	47	58	1
LINCOLN McDOWALL	170	114	2
ROB O'BRIEN	28	141	3
