Scoring codes used

Code	Description	Points
DNF	Started but did not finish	11
DNS	Came to the start area but did not start	11
RDGa	Redress - average points for all races except the race in question	3.7

Western Australian Ten Rater State Championship Champion Lakes, Perth

Current Ten Rater Australian Champion Gary Cotterell has continued his winning run adding another state championship title to his long list of titles, winning the 2008 WA Ten Rater State Championship sailed at the venue of the 2009 ARYA Australian Championships, Champion Lakes.

Gary won convincingly finishing with ten wins and four second places of the 16 race series with nett 18 points ahead of Graeme Howie on 36 points with Bob Paton third on 46.7 points.

Ten boats competed in the event with the conditions light and variable and the wind predominantly from the NNW ranging from 0 – 8 knots with shifts of 40-60 degrees at times, making the task of setting the course for Race Officer Roger Paul extremely difficult. Roger answered the challenge providing the competitors with excellent racing using both of the course areas available at Champion Lakes.

Champion Lakes, the venue of the 2009 Australian Championships continues to prove itself as an excellent venue for radio sailing with a fantastic sailing area and while the off water facilities are still under construction they are in an advanced stage and will be completed well ahead of the championships.
