ARYA Event Scoring Policy

Introduction

The objective of the Event Scoring Policy (ESP) is to provide clear and concise guidelines to states, clubs and event organisers and outline which scoring systems are approved for different levels of events.

The ESP is in force for all ARYA National Recognised Class (NRC) events conducted under the overall authority of the ARYA.

1. Approved Scoring Systems

The scoring systems currently approved for use by ARYA are:

- a) For single fleet racing the Low Point System (RRS A4)
- b) For multiple fleet racing RRS A4 as amended by the following systems
 - i) HMS – Heat Management System.
 - ii) SHRS – Simple Heat Racing System.

2. NRC Event Levels

NRC events are divided into the following levels and the scoring systems available for use at these levels is outlined below.

a) Regional Events

For multiple fleet racing RRS A4 as amended by the following systems

- i) HMS – Heat Management System.
- ii) SHRS – Simple Heat Racing System

b) State Championships

For multiple fleet racing RRS A4 as amended by the following systems

- iii) HMS – Heat Management System.
- iv) SHRS – Simple Heat Racing System

c) National Championships

- i) For A Class, Marblehead, Ten Rater & IOM multiple fleet racing, RRS A4 as amended by HMS shall apply unless otherwise approved by the ARYA.
- ii) For all other classes multiple fleet racing RRS A4 as amended by the following systems

- 1) HMS – Heat Management System.
- 2) SHRS – Simple Heat Racing System

3. Notification and Approval

Notification of Scoring System

- a) The scoring system to be used is to be outlined in the NoR and may not be changed once the NoR has been released.
- b) Specific ARYA approval is required to vary the ESP.

4. Scoring Software

Events should be scored using the latest versions of these programs approved by ARYA, which will be the version available for downloading from the ARYA web page.

For further information on ARYA's event scoring policy, please contact ARYA.

This Scoring Policy was approved by an ARYA committee & states vote.

ARYA may amend this policy from time to time.

END
